NORTH STAR
COMMUNITY SERVICES

*hello
ball*

Pictured left is Anna, playing a role with her puppet during an old time nursery rhymes activity. The group used puppets to tell stories such as “The Three Little Pigs”, “Goldilocks” and “The Little Red Hen”. The group did very well with remembering their lines! Fun!

Pictured right, is the newest person to North Star, Alan. We would like to welcome him! Left is McKenna as the group worked on decorating their small pumpkins! They did a great job!

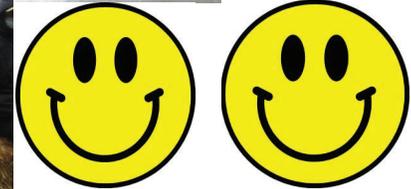

Pictured above are Ray, April, Janet, Lynn, Russell, Jeremy and GERRI! Once again Gerri was gracious enough to take her time to give people rides on her NEW wagon! Gerri’s brother built her a new wagon with steps so it is easier for people to get up and into the hay filled wagon. Thanks to her brother and of course to Gerri, for making this fall season a memorable one! We appreciate her so much. Many hours of hard work are put into their operation and it is very labor intensive. We don’t know how she does it year after year! We thank her from the bottom of our hearts!

Pictured here are Andrew, Jay, Dakota and Hope. Their Halloween costumes were adorable and they won prizes. Thanks for joining in on the fun of Halloween everyone!

Right is Andrew on the Dix Pumpkin Farm wagon ride, a moment of reflection...love this picture!

The Bremer County Conservation Board (BCCB) invites you to explore the nearly 4,300 acres of unique conservation areas that are managed by the board. You will find a large variety of nature activities and outdoor recreation to immerse yourself in. From fishing and canoeing, to snowshoeing and camping, to the cemetery prairie, there is sure to be a nature area to fit everyone's interests.

A big thanks to Angie Auel, for coming to North Star to play a fun Thanksgiving game with the group. We are appreciative of the Naturalist for coming to visit and share her knowledge with us!

All of us here at the Waverly North Star would like to wish everyone a Happy Thanksgiving! We hope you are able to spend time with your family and/or friends for the holiday. We would also like to take this time to thank all the volunteers who share their various talents with us by coming to visit. We appreciate each and every one of you and are thankful you are in our lives!
