A Look Back...

Dayhab had a lovely March! Consumers enjoyed outings to get donuts, visit our Newel Post friends, participate in art classes at the Hearst Center, and watched a show at the Grout Museum's Planetarium!

Back at the building, we enjoyed a little St. Patrick's day celebration completed with popcorn and goody bags provided by the Consumer Council. Consumers also got to celebrate Easter by having an egg hunt in our multi-purpose room! Throughout the month, consumers kept busy with by working on curriculum lessons, playing games, doing crafts, and spending time in our sensory room and arcade! We are excited for April and looking forward to Spring!

A Look Ahead...

Hello Spring! We are looking forward to getting outside more in April and (hopefully) enjoying some nice sunny days ahead! Dayhab plans to go on outings to the Hartman Reserve Nature Center and park, volunteering at the Humane Society, art classes at the Hearst Center, Library visits, Newel Post visits, and a special trip to see our friends at the Canterbury center and watch them give a presentation on the battle of Gettysburg!

Back at the building we will be celebrating Earth day with a garden clean up and trash pick up around the building. We will also be saying good-bye to our Allen OT friends until next Fall, all while continuing curriculum, crafts, music, and games!

We have so much to look forward to!
