Cyrano de BurgerShack Serves Up Super-Sized Fun!

On Wednesday, June 14, 2023, the stage was set with a happy burger-shack world

at Waterloo West's Kersenbrock Auditorium for North Star's latest inclusive community theater musical (our 8th). These productions are designed to "bring to light" the all too often hidden talents and abilities of persons with disabilities by sharing on stage with the public. So much heartwarming fun is only possible with support from our volunteers, grant funders, and the community!
