

Day Hab Monthly Waverly North Star August 2025

We had the pleasure of visiting the interactive park in Waverly, where both staff and consumers shared a day filled with laughter, smiles, and meaningful connections. Everyone enjoyed exploring the different activities the park had to offer, from hands-on play areas to group games that encouraged teamwork and creativity. It was a wonderful opportunity to enjoy the outdoors, strengthen friendships, and create lasting memories together.

We spent a lovely day on the bike trail in Waverly, enjoying a peaceful walk and taking time to rest at the shelter house along the way.

We joyfully celebrated Janet's 80th birthday, surrounded by love, laughter, sweet music, and the most delicious bars lovingly made by her sister Judy.
