

# Day Hab Monthly Waverly North Star

## October 2025

During our visit to the Tripoli Nursing Home, we spent time with Travis, who warmly welcomed us and gave us a tour of his room. Afterwards, we joined him in the chapel for a fun round of "Spider Bingo." Everyone had a wonderful time playing the game and socializing. To end the afternoon, we enjoyed cookies and drinks together, making it a cheerful and memorable visit.

Consumers came up with many creative ways to decorate pumpkins, turning them into colorful and unique works of art, instead of just carving traditional faces.

HAPPY  
*Halloween*
