

# North Star Waverly Day Hab Monthly November 2025

Many consumers and staff dressed up for our Halloween parade and party, creating a lively, festive atmosphere filled with creativity.

We have had the pleasure of participating in music therapy sessions conducted by students from Wartburg College, who come in regularly to work directly with our consumers and provide meaningful, engaging therapeutic experiences. We are truly grateful for this opportunity and appreciate the positive impact their involvement brings to our community.

The consumers and staff enjoyed a fun-filled day at the Waverly Bowl Inn, where laughter, friendly competition, and great food created a memorable experience for everyone.
