

North Star Community Services-Waverly Center –March- 2026

The mayor visited the Waverly Center to discuss her role in the community and answer questions from consumers. She addressed concerns about handicap-accessible areas around town and shared plans for improvements. Everyone enjoyed her visit and looks forward to seeing her again.

During Cooking Corner, consumers worked together to prepare and bake cookies that were enjoyed by everyone.

Angie from Bremer County Conservation visited and gave a presentation about otters. Consumers even got to feel what an otter pelt feels like.
