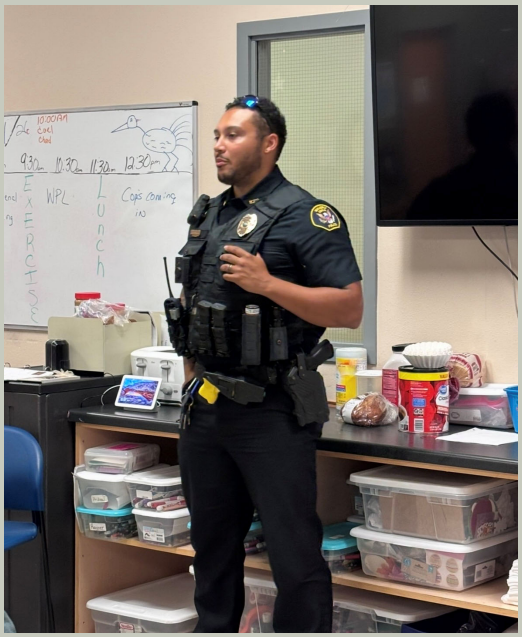
North Star Community Services—Waverly Center – September-2026

Kid-Led Activity**:** The kids led a fun craft activity with the consumers, where everyone made colorful butterfly crafts. The consumers enjoyed being creative and participating alongside the kids.



We had the pleasure of welcoming Officer Johnson has been on the force for five years. He shared, “I love hanging out with the community and building morale.”

The consumers had a wonderful time visiting with Officer Johnson and asking him lots of questions. It was a fun and engaging opportunity to learn more about law enforcement while building positive connections within our community. Thank you, Officer Johnson, for taking the time to visit with us!

Spending the morning at the Ice House Museum! Everyone enjoyed exploring the exhibits, learning about the past, and spending time together.
